

COVID-19 UPDATE

Valued CHE Customers,

The uncertainty of the COVID-19 pandemic has left all of us in disarray to say the least. As you can imagine, with 30 adult hockey tournaments between March 20 - May 3 the timing of this has greatly affected Canadian Hockey Enterprises (CHE) and the teams who were looking forward to a great tournament experience this spring.

There is a huge chasm between what we hope will happen over the next two months and what we think will happen, but we're doing our best to stay hopeful. At this point we have reached out to all tournament customers whose tournament date has been officially postponed, and if you haven't heard from us yet, that means we're still holding out hope that your event will take place. CHE will reach out to everyone once decisions have been made regarding your specific tournament this spring. Please hold off on contacting us if possible, we will contact you.

Rest assured, we have developed a comprehensive plan for recouping payments for all teams which will be sent to everyone once your tournament date has been postponed.

We appreciate your patience and will be in touch with all customers in due time.

We encourage everyone to follow government protocols at this time and hope that everyone stays safe and healthy.

Graydon Crowley
Marketing Director
Canadian Hockey Enterprises
